Selection of our products

bucket elevator

inner ejecting bucket elevator

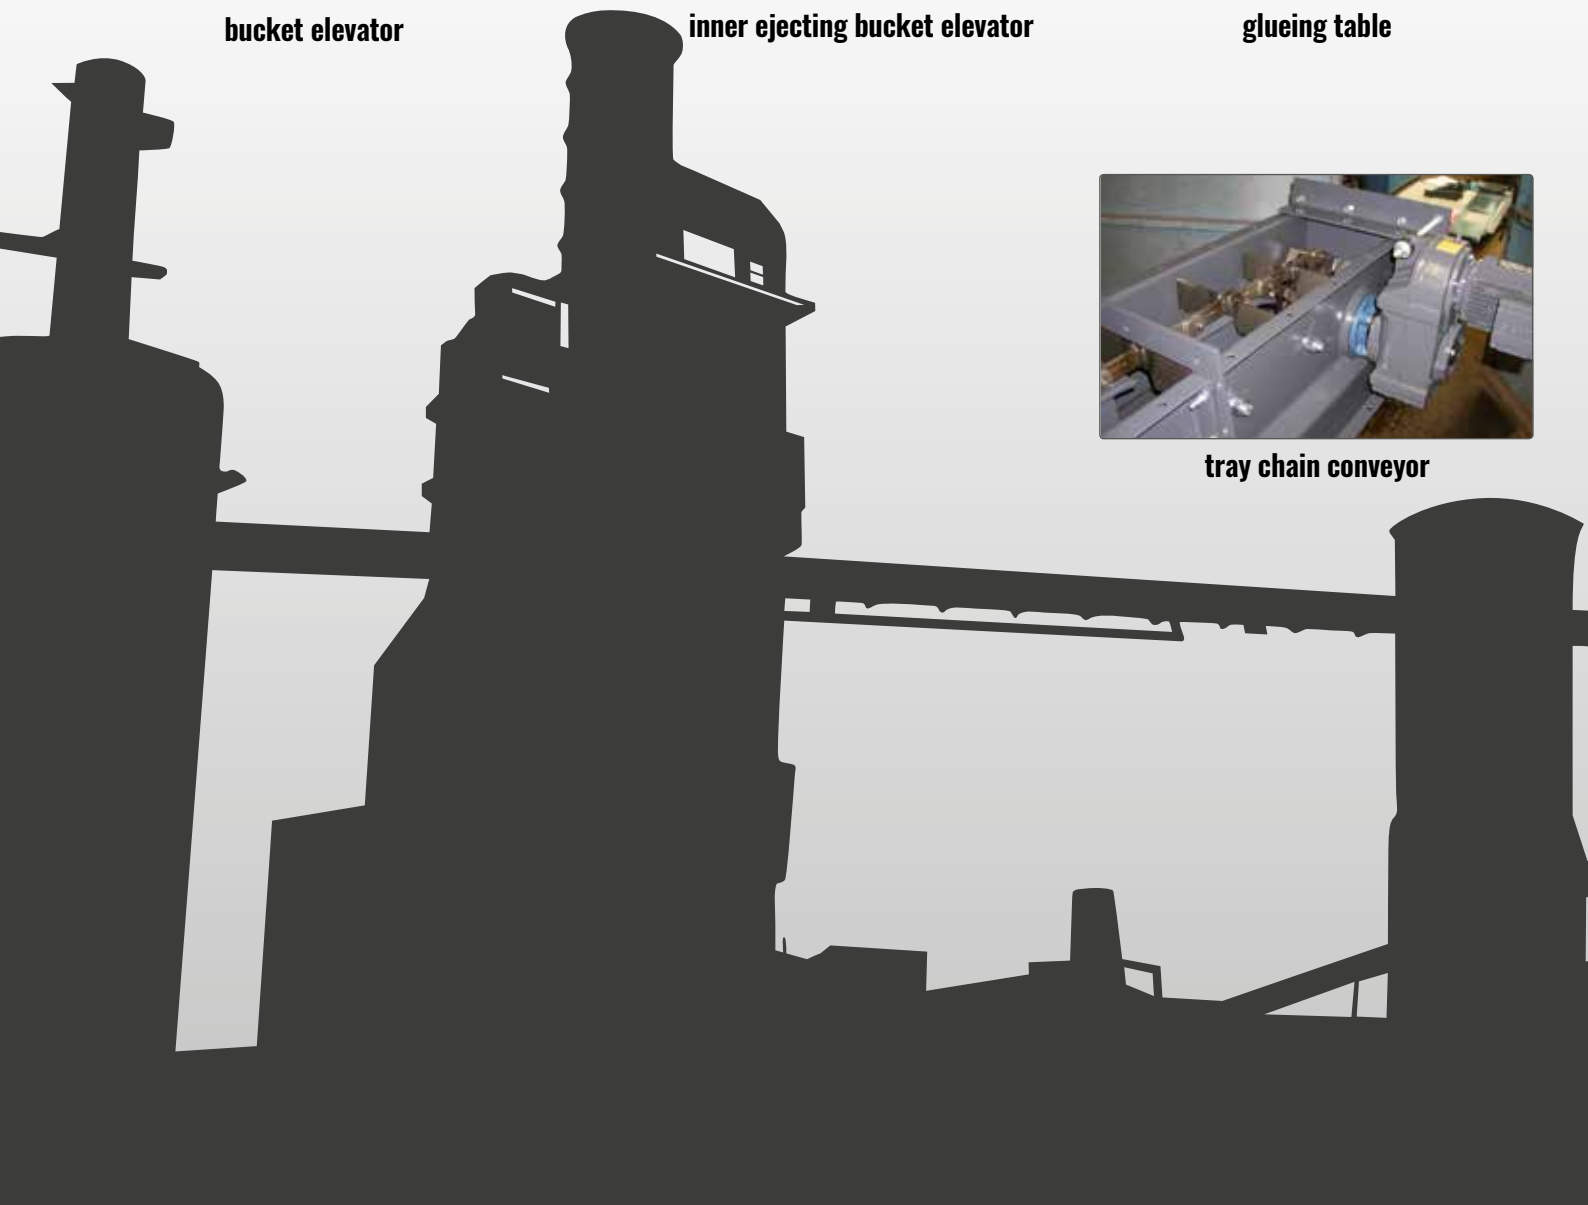

mobile screw conveyor

glueing table

tray chain conveyor

tubular belt conveyor

lattice bridge with belt conveyor

**feeding vehicle for
laser cutting machine**

**pneumatic plier for
stock picker**

**brushing machine for
steel profiles**

rotary dryer for chopped wood

log saw

wet concrete recycling

**fines conveyor with
spreading auger**

bucket conveyor for ash transportation

centering and separation machine

tipping bucket elevator

vibrating conveyor with filter for frozen food

mixing auger

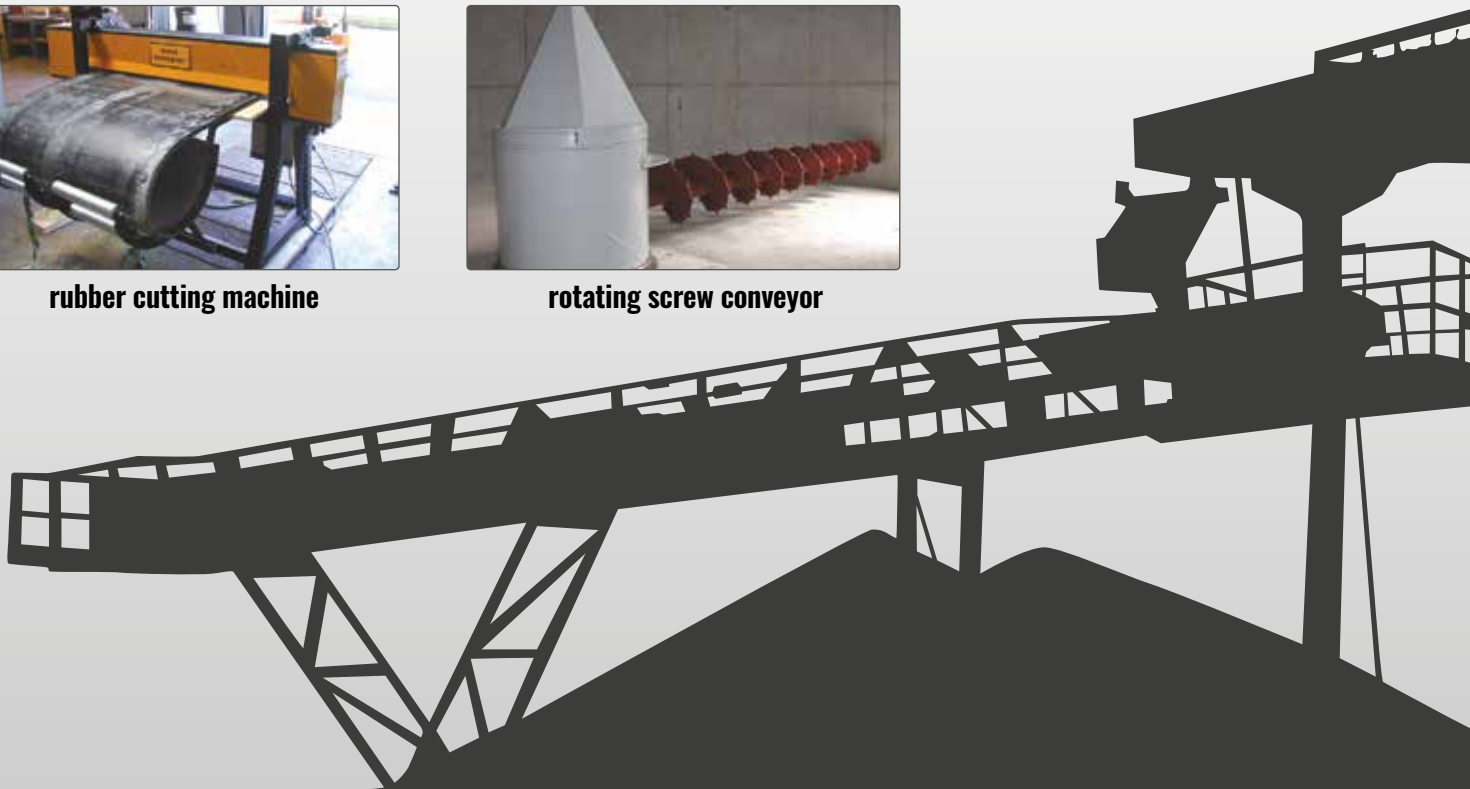

drum filter to separate chopped wood

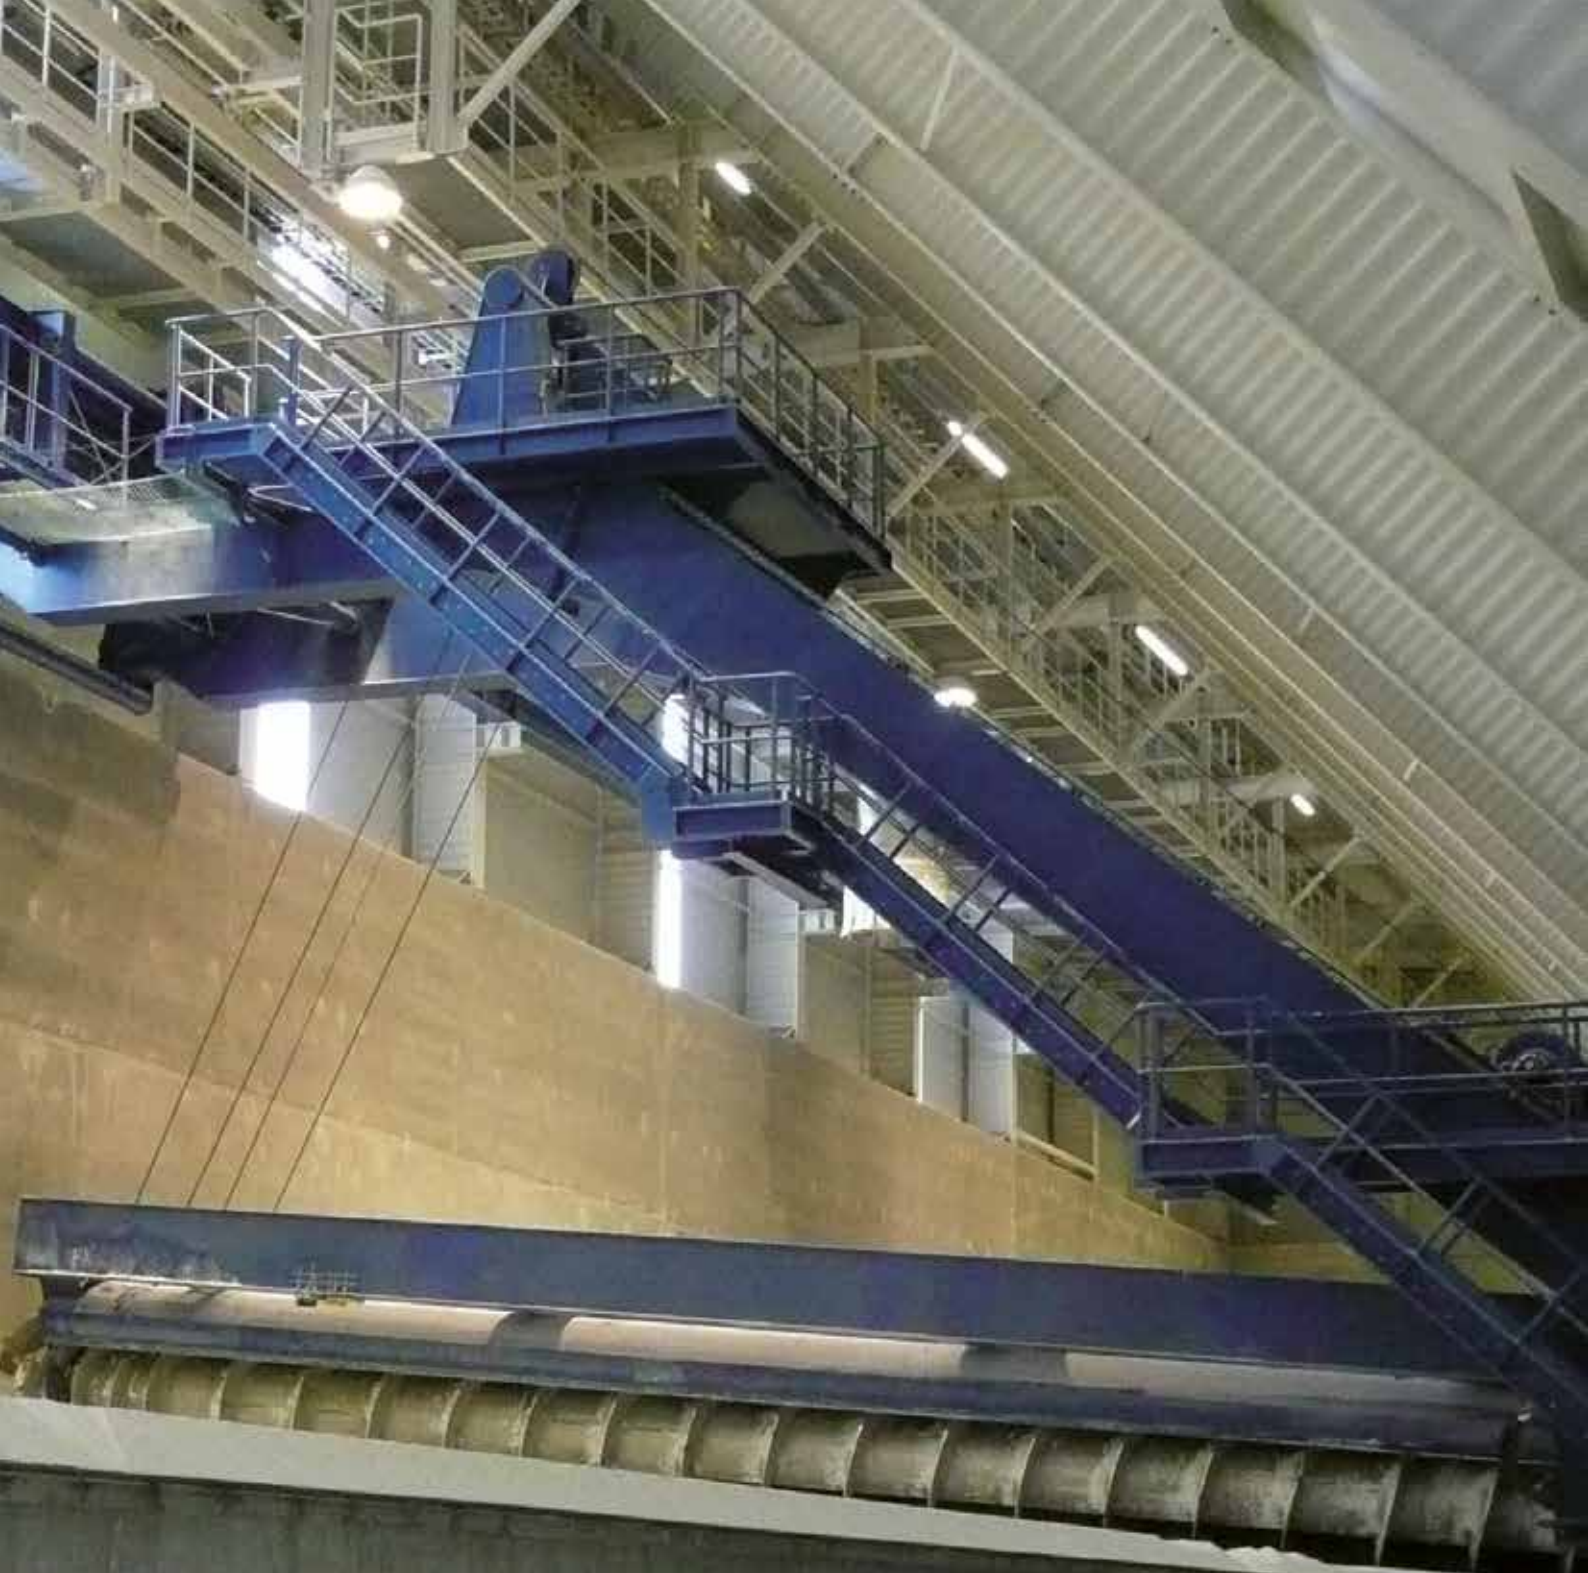

rubber cutting machine

rotating screw conveyor
